GEN. & REV. SECRETARIAT 785 28 JULY 1945 L S G BRANCH

No Encls 84

Date 26th July 1945

To

The Additional Secretary to Government of Mysore, Bangalore

Sir,

I have the honour to state that stones of sizes of good quality are being quarried in Kumara Park Extension through the agency of a contracotr for being used on departmental work, to wit, the construction of storm water drains in Kumara Park Extension. Srimati Girijabai to whom a free site has been granted for construction of Mahalakshmi Temple has been permitted as a special case to quarry stones in the Extension to help construction of the temple in G O No L-8156 dated 19-2-45 It is desirable therefore to watch the disposal of stones which are Government property. Further, in the neighbourhood of Kumara Park Extension, construction of numerous building works by private persons is in progress and the stones which are Government property are likely to be pilfered by people for being used on their own works I am therefore of opinion that provision has to be made for keeping a vigilant watch over the quarries to prevent unauthorised removal of stones from the quarries An able-bodied, youngman by name Bahadur Singh Gurkha, a Nepalese, has agreed to take up the job of a watchman for the above purpose on a monthly pay of Rs 30/- with the usual dearness allowance

I request that sanction of Government may kindly be obtained and communicated to the above proposal, the cost thereof being met out of the grant of Rs 5,00,000/- earmarked for the Bangalore City Improvement Trust Board for 1945-46
